

Sponsor price list GDP 2026

The Mediendom at HAW Kiel invites you to the 2026 annual conference of the Society of German-Speaking Planetariums (GDP) from **Saturday, April 18 to Monday, April 20.**

This document contains information about the various sponsorship options. We are expecting approximately 150 participants.

All components are available individually and can be combined with each other.

The prices quoted are net prices, plus 19% VAT.

All requests will be allocated on a **first come, first served** basis. If you want to ensure that you get all your favorite components, please register as soon as possible at **sponsoring@gdp2026.de**.

The following services are included in all components.

- Logo on website/conference program
- Logo on a poster in the customer stopper in the entrance area

We are delighted to be able to organize a conference with a wide range of contributions and new perspectives, scientific findings, and practical insights into the world of planetariums with your support!

multi-purpose building C18

The multi-purpose building C18 houses various rooms that we will use throughout the entire conference. This is where the conference office and catering stations are located. In addition, lunch and dinner on Saturday will be served here.

Foyer in multipurpose building C18: The conference office and a beverage station are located in the foyer. All coffee breaks and lunch will take place here. The foyer will be furnished with bar tables and lounge furniture. In addition, three exhibition areas are available for booking, and there will be a continuous digital presentation on a large screen where sponsors can display individual slides (see Module 1 Exhibition Areas).

Auditorium in the multipurpose building C18: The Auditorium can accommodate 150 people in row seating and has two adjacent Full HD projector screens. This room can be used for simple sponsor presentations as well as for traditional conference presentations. Space is also provided here for sponsor stands.

Climbing hall in the multipurpose building C18: The climbing hall is located right next to the Audimax and is used as a sponsor hall. This is where most of the exhibition space is located, as well as a beverage station and additional seating.

Seminar rooms in the multipurpose building C18: On the first floor of the multi-purpose building, there are three individually equipped seminar rooms of varying sizes available. This is where traditional conference presentations will take place.

Building C12 – Media Lab: Building C12 houses two media labs that can be booked for hands-on technical workshops. Both labs are equipped with approximately 15 Windows PCs. One of the two labs is also equipped with Digistar 2025 workstations.

1. component: Exhibition space

Standard equipment per exhibition space: table, chair, display wall, and Wi-Fi.
Additional equipment available upon request.

For better visibility, a presentation will run continuously on a loop in the foyer of the multi-purpose building. You can create **individual presentation slides** (1920 x 1080px) for this purpose, which will be mixed with other content (sponsors, conference program, etc.). These must be submitted 2 days before the start of the conference.
